Binay Chauhan

Chandigarh, India

+91-9153466696, binaychauhan308@gmail.com

Objective:

I'm a second-year Computer Science engineering student with a solid background in programming language and problem-solving. I'm passionate about exploring new technologies, building software solutions, and working on collaborative projects. I'm looking for opportunities where I can apply my skills and continue to learn and grow.

Work Experiences:

I am studying Computer Science and Engineering and love creating new technology. I have worked on different projects and want to use my skills in real-world jobs. I plan to intern at IBM to learn practical skills and make a valuable contribution.

Education:

Bachelor of computer (B.E) in computer science & Engineering (CU) at 2024-2028.

12th Om National Academy School at 2022-2023

10th Shree zilla Uchangal Ramdev Kalwar Higher secondary School in 2020-2021

Skills:

. programming languages: C, C++, java script, python

. Tools & Technologies: GitHub, Linux, vs code, MySQL

. Concepts: Data Structures & Algorithms, Database Management

Certificates:

Coursera: Python Data Analytics

LinkedIn: Academic Research and Paper Writing Course

IBM: Python for data science, AI & development

EXPERIENCES:

- Contributing to the development of web-based applications using Python, HTML, and C++.
